PROFESSIONAL SUMMARY

I am an ambitious and academically distinguished second-year BSc Information Technology student at North-West University, driven by a passion for innovation and problem-solving. With a record of consistent academic excellence, a versatile skillset, growing experience, and a strong dedication towards professional development, I strive to contribute software solutions that shape the future and establish myself as a skilled Software Developer in the dynamic field of Software Development.

EDUCATION

Bachelor of Science in Information Technology

North-West University, 2024 – Present

Year of Study: Second, Majors: Computer Science and Information Systems,

SKILLS

Soft: Critical Thinking | Problem Solving | Ability to Learn | Creativity | Teamwork and Collaboration | Communication | Adaptability and Flexibility | Leadership | Time Management | Professionalism, Work Ethic & Integrity | Initiative & Proactiveness

Technical: Advanced Computer Skills | Software Installation & Configuration | Microsoft Office Suite | Programming (Python, C++, C#, Java) | Application Development (.NET MAUI, ASP .NET, React, HTML, CSS, XAML) | Database Design | Cloud Deployment & Hosting

EXPERIENCE

Teaching Assistant

North-West University – School of Computer Science and Information Systems, 2025

Introduction to Computing & Programming and User Interface Programming

Assisting during practical sessions, facilitating tutorial sessions, invigilating during assessments, evaluating, reviewing, moderating, marking and grading assessments.

ACHIEVEMENTS

Faculty of Natural and Agricultural Sciences Dean's Award

North-West University, 2025

This award is awarded by the Dean of the Faculty to the top two performing students in Computer Science and Information Systems in the previous academic year, per campus. 2024 Average: 86%.

Golden Key International Honour Society Member

Golden Key International Honour Society, 2025

Recognition for being in the top 15% performing students in my field.

2025 GradStar Top 100

GradStar Awards, 2025

These awards recognize the top 100 most employable students across the country based on leadership and workplace readiness.

CERTIFICATIONS

Certificate in Full Stack Development

FNB App Academy, 2025

App strategies, UX design, GitHub, API's, user input, data processing, and user-centric app development.

AI Course

Microsoft and Durban University of Technology, 2025

AI Fundamentals, AI and Accessibility, Microsoft Copilot, Responsible AI, Search Technology, Generative AI.

Arcademia 2025 Game Jam Hackathon

North-West University and Lincoln University, 2025

Award of Participation for developing and submitting a game to the Arcademia Global Jam 2025.

PROJECTS

Portfolio Website

Designed and developed a personal website to showcase my profile, studies, skills, projects, experience, awards, and certificates. Built using HTML, CSS, JavaScript, and React with responsive navigation, stylish tabs, animations, and downloadable resources.

Website Link: <https://mosiathabangephraim.github.io/portfolio-website/>

Task Management Application

Developed a cross-platform task management app for students and professionals, using .NET MAUI and Supabase PostgreSQL for cloud storage. Implemented task creation, editing, reminders, collaboration, achievement badges, and optimized UI for multi-device access.
